

“1 in 9”

A silent auction in support of breast cancer research

Featuring new works by j.alleyne, Brenda Geil, Michael Joyce, Lisa Lunn, Maureen Murphy, Tessa Nunn, Karen Skaret, Andrée-Ann Thivierge and Stephen P. Turner.

The art for auction at this event is the result of collaboration between 37-yr old breast cancer survivor Vanessa Hughes and artists who worked with her during her treatment process. It is estimated that 1 in 9 women in Canada will develop breast cancer at some point in her lifetime. With this project, Vanessa puts a face to that statistic.

Savoy Lounge, 10401 Whyte Ave.

50% of the proceeds will go directly to the artists and 50% will go to the Canadian Breast Cancer Foundation in support of breast cancer research.
